

# Building technologies that connect & protect

We provide systems and services that help customers work smarter, feel safer and collaborate more effectively.

## MONITORING SERVICES

### Why Choose Us

Tech offers effective, around-the-clock monitoring for your facility's security and fire-detection systems as well as related services such as elevator emergency phones, temperature monitoring, and more. We monitor all systems, from highly complex to the most basic, and our state-of-the-art monitoring station features redundant power sources and radio backup.
