

A Partner You Can Trust For Fire & Life Safety Inspections

Inspection Plans

When it comes to fire & life safety, routine inspections are more than a requirement—they're a critical part of keeping your people and property safe. Tech Electronics offers professional inspection and testing service plans backed by decades of experience, certified technicians, and deep code knowledge. We handle the scheduling, documentation, and follow-up, so you don't have to.

What's Included

- **Annual Compliance Inspections**— Inspections performed by certified technicians and align with NFPA and AHJ codes.
- **Detailed Inspection Reports**— Actionable findings with recommendations to maintain safety and performance.
- **Discounted Repairs**— 20% off labor and parts for repairs identified during inspections.
- **Priority Scheduling**— Reduce downtime and plan inspections around your operations.
- **Expert Help Desk Support**— Monday–Friday access to our technical support team for troubleshooting assistance.
