## Why Tech Electronics?

For over 60 years, Tech Electronics has partnered with public-sector organizations to protect people, secure facilities, and improve communication. Check out our recent project at [MRH Elementary](#) in St. Louis, MO.

Through your TIPS membership, you can access our full range of solutions:

- [Fire & Life Safety](#)
- [Security](#)
- [Communication +AV](#)

## How to Get Started:

Whether you're ready to implement a solution now, evaluating your options, or planning ahead, our technology experts will guide you through the process.

Choose Your Next Step →

- **Request a Site Survey** if you're ready to move forward with a project now.
- **Schedule a Health Check** if you're still evaluating upgrades.
- **Discuss a Future Project** to begin early-stage planning.

**Start Your Next Project**
