

# Your Partners in School Safety Communications

## Tech Electronics: Supporting K-12 Schools for over 60 years

Tech Electronics supports schools and districts across the Midwest and Colorado by designing, installing, and maintaining integrated building technologies that create safe and effective learning environments. **Our expertise spans Fire & Life Safety, Security, Communication, and Audio-Visual systems.**

As a **CareHawk Gold Level Partner** and a **Partner Alliance for Safer Schools (PASS) partner**, Tech Electronics brings deep technical expertise and education-specific experience to every project.

Our team, comprised of **100+ IBEW factory-trained technicians/inspectors**, technology specialists, engineers, and project managers, serves our customers as a single, trusted partner who understands each facility, simplifies vendor management, and helps ensure systems remain reliable, compliant, and future-ready.

## 20 Years. 10,000+ Installs. Trusted by K-12 Districts.

For 20 years, **CareHawk Life Safety Communications** has partnered with schools and districts to deliver dependable, purpose-built communication solutions.

Districts choose CareHawk for proven reliability, long-term support, and scalable systems designed for daily operations and critical incidents—**trusted with more than 10,000 installations across North America** and sustained by partnerships with the highest calibre integrators, including Tech Electronics.

### Best Practice Solutions

As an **active advisory council member** of the Partner Alliance for Safer Schools (PASS), CareHawk helps shape nationally recognized safety guidelines and uses them to inform product development, ensuring solutions are grounded in proven best practices and aligned with real-world K-12 needs.

### Commitment to Excellence

This designation reflects a proven partnership built on consistent performance, deep product knowledge, and a shared commitment to delivering reliable, best-practice-aligned safety and communication solutions for K-12.

### Certified Support

As a **Certified CareHawk Installation Partner**, Tech Electronics has completed our comprehensive training program to expertly install and support CareHawk systems.
